Nimes, February, 1906.

ORCUTT SEED & PLANT Co

Dear Sir (s) :

Knowing that in your country Beet & Mangel Wurzel are much demanded, we beg to draw your attention to the fact, that time is pressing very much for sowing & being at present occupied in placing the cultures, we offer you the following sorts for growing on contract, delivery after harvest 1907.

Beet Dewings blood red turnip	at	32/ - p.	cwt.
" Eclipse	at	28/ - p.	"
" Edmands	at	28/ - p.	"
" Egyptian flat	at	35/ - p.	"
" Crosbys Egyptian	at	30/ - p.	"
(your stock seed)			
Mangel Wurzel long red	at	18/ - p.	"
" " yellow globe	at	20/ - p.	"

Onion red sorts at 78/ - p. cwt.

As well as all other articles which are of interest for you. Having to my disposal over 2000 Hectar for growing.

Assuring you that our utmost attention is attract to all our cultures in order to obtain the purest stock. We shall as well send you every month a rapport of the cultures in order to give you an idea of their standing.

Awaiting your favorable news, we are dear Sirs,

faithfully yours,

Jacques Rolland.
